January 7-9, 2022

Many thanks go out to our Virtual Retreat Committee, who provided a fun and entertaining weekend for all members who wished to participate. Barbara Mason, Denise Geis, Paula Connell, Joan Spencer, Jane Ratcliff, Debbie Phillips and Traci Kienberger all did a tremendous job! We enjoyed free block patterns from "Sew Many Notions" by Eleanor Burns of Quilt in a Day, daily door prizes, games, mini tutorials, "Getting to Know You" sharing time, and conversations that ranged from how to restore a cast iron pan to member's brushes with famous people. There was also exchanges of tips and ideas and plenty of "show and tell" about what people were sewing. A good time was had by all.
