

## Block of the Month-April 2008

For April we will make a paper pieced Birdhouse Block. It will finish as a 6" square (6 1/2" square unfinished). Choose a blue sky for the background B. The birdhouse A, roof R, and base S are your choice..

Sew 2 to 1, then sew 3 to 1. Sew 4 to 3, then 5 to 2 in the first patch.

Sew 7 to 6, then sew 8 to 6. Sew 9 to the second patch.

Now sew 8 to 7, then sew 9 to 7 in third patch.

Now sew the first patch to the second patch. Add a large button for the bird house door ( or you may appliqué a circle in place). Your Birdhouse is done!

Please call Cheri Jolivette if you have Questions!

Please leave paper on  
block
